In the previous lesson, Amy read and responded to an email message sent to her by her child's teacher. In this lesson, Amy is going to write and send a message to her sister.

In today's example, Amy is using Gmail.

To send a new email, Amy clicks on the Compose button on the top left.

A message box appears. Amy will fill in in who the message is to, the subject of the message, and then what she wants to say.

± ⊕ €		Send - A		1.1

In the To field, Amy types in the email address of her sister Nikki.

But if Amy wanted to send this message to more than one person, she can type several email addresses, separated by commas.
