Dear Mr. King:

- 1) This year we are grateful to be able to celebrate many notable accomplishments. Thousands of New Zealanders participated in a season that included musicals, symphony orchestras, jazz ensembles, popular and traditional music, dance, family and children's events, and some of the finest independent films available. School children from the Church region attended special school performances at the theatre.
- 2) In addition, substantial capital improvements helped make the theatre more comfortable. As a result, the Arts Council selected the Church Stop Theatre as a site for its Film Preservation Tour, a series of screenings of restored classic films.
- 3) The Church Stop Theatre is a nonprofit organization and is dependent upon its supporters to continue to fulfill its mission. Ticket sales cover only a portion of our operating expenses. We count on contributions to continue to provide the high quality and wide range of programs we present each season.
- 4) Please help us continue to bring the magic of the performing and visual arts to the Church region. Every contribution – large or small – supports our programs. At this time we ask you to be as generous as you can.
- 5) When the Church community sought to recapture the splendor and promise of the Church Stop Theatre, its many supporters helped to realize the successes we now celebrate. The Church Stop Theatre serves as a reminder of the vital role the arts have played in the lives of New Zealanders. Since its revitalization, the programs offered by the performance venue have benefited individuals and families throughout the region and beyond.

Sincerely,
